

# StampMonkeys by Mail!

It's easy these days to just hop in your car and drive to the craft store, but do you REALLY find what you're looking for there? What about customer service? Would you be able to get ideas and help with the products from one of the cashiers?

## Why not take advantage of StampMonkeys by Mail?

You'll have stamps and/or other accessories delivered to your home every month - along with project samples and card stock cut with the accessories you need for those projects! In addition to that you'll have exclusive access to my Club-Only website for more ideas!

*Just think, monthly inspiration without...going out in the cold/heat, using any gas, forcing your kids in to car seats, braving the crowds at the store, and on and on...*
